Special Agent/Certified Explosives Specialist
United States Department of the Treasury
Bureau of Alcohol, Tobacco and Firearms
Chicago Field Division
1976 to Retirement in 2003

Previous Duties

1976 to 1990

Assigned to various posts of duty in the Chicago Field Division.

Duties involved the investigation of violations of the Federal laws pertaining to the unlawful possession of firearms and explosives by prohibited persons; the unlawful use of firearms and explosives; the possession, distribution, manufacture of machine guns, silencers, explosive devices, or any activity deemed illegal by the Federal firearms, explosives and arson statutes; conducted training for ATF personnel as well as state and local personnel; conducted training for other public and private entities; conducted pre-employment background investigations for ATF personnel;.

1991 to 2003

Assigned to the Chicago Field Division, Oakbrook III (Explosives) Post of Duty. Believed to be the only such explosives exclusive dedicated Post of Duty within ATF.

Duties involved the investigation of all federal explosives laws coming under the jurisdiction of ATF; respond to all explosions within the Chicago Field Division; conduct post blast scene processing and evidence handling for ATF and for local agencies; conduct post blast investigation for and with local agencies; provide court testimony when necessary for ATF and local agencies; safely handle and store all explosives materials and explosive evidence obtained by the Chicago Field Division; maintain proper explosives storage magazines; assist state and local bomb squads with their missions; conduct pre-employment background investigations for ATF personnel; conduct training for ATF personnel as well as state and local personnel; conduct training for other public and private entities; conduct disposal operations for abandoned, seized, deteriorated, and adjudicated explosive materials; maintain equipment necessary to conduct proper and safe post blast scene processing; maintain equipment necessary for proper and safe disposal and training operations and demonstrations.

Special Agent Morice has conducted hundreds of firearms and weapons investigations, as well as assisting in the investigations of other agents.

Special Agent Morice has conducted numerous ATF pre-employment background investigations as well as background investigations for "Relief From Disabilities".

Special Agent Morice has conducted many post blast scene processing operations.

Special Agent Morice has conducted many disposal and demonstration operations.

Special Agent Morice has participated in hundreds of explosives investigations of his own and assisting other agents.

Special Agent Morice has testified numerous times in Federal and State Court proceedings to include warrant affidavits, Grand Jury proceedings, preliminary and detention hearings, suppression hearings, and in trials – bench and jury.

Special Agent Morice has given expert testimony regarding explosives matters in four Federal jurisdictions and seven State jurisdictions.
